## ABSTRACT

Abstract is written in English using Book Antiqua size 10 pt with one space. Abstract includes a description of objectives, methods, and results. The abstract should be written briefly succinctly in one paragraph (150-250 words), which summarizes the research variables, objectives, methods, and answers to the problems and research results. The research findings should not be confined to presenting general results alone, but should also highlight the main findings or specific contributions. Furthermore, it is emphasized that the aspect of novelty, as well as the theoretical and practical implications, should be explicitly presented.

**Keywords:** Should consist of 3 to 5 words.

## مستخلص البحث

يُكتب المستخلص باللغة العربية باستخدام خط **Sakkal Majalla** بحجم **12 نقطة** وبمسافة سطرية مفردة. ويشتمل الملخص على وصفٍ للهدف والمنهج والنتائج. ويجب أن يُكتب المستخلص بصورة موجزة في فقرة واحدة (150-250 كلمة)، بحيث يقدم خلاصةً لمتغيرات البحث، وأهدافه، ومنهجيته، والإجابة عن إشكالية البحث و/أو نتائجه. لا تقتصر نتائج البحث على عرض النتائج العامة فحسب، بل تشمل أيضًا إبراز النتائج الرئيسية أو الإسهامات المحددة. بالإضافة إلى ذلك، يُؤكد على ضرورة عرض جانب الجودة وكذلك الآثار النظرية والعملية بشكل صريح.

**الكلمات المفتاحية:** يتكوّن من ثلاث إلى خمس كلمات.

## REFERENCES/المراجع

The length of the manuscript ranges from 5000 to 7000 words, not including the bibliography.

Bibliography is compiled with APA 6<sup>th</sup> referencing style that is sorted alphabetically. This section only contains the sources used and quoted in the text, and all sources cited must be listed in the references and consist of at least 25 to 50 most recent reference sources in the last 5 to 10 years, and references consist of 80% of journals and 20% non journals. The manuscript's similarity index must not exceed 20% and must be verified using [Turnitin](#).

The author is also encouraged to enrich the references by citing relevant articles from **Al-Muyassar Journal** in order to strengthen the theoretical foundation and demonstrate the connection of the study with publications that have appeared in the journal. In the process of writing and managing references, the use of reference management software such as **Mendeley, EndNote, Zotero** or others.

Referencing and citation uses parenthesis referral style (last name, year). Example: (Mcguire, 2006). The use of reference series is written separated by a semicolon (;) and arranged alphabetically. Example: (Jeong, 2007; Stoker, 1998; Thomson, et al., 2007).
