August 28, 2025

Dear Shamong Township School District Families,

Welcome to the 2025–2026 school year! We're excited to begin another year of meaningful learning, strong partnerships, and joyful growth.

Our dedicated custodial and maintenance teams have worked hard to prepare our buildings, and faculty and staff are ready to support every student's success. We look forward to welcoming students on Tuesday, September 2, with an early dismissal; full-day schedules begin Wednesday. Bus passes are available via the parent portal, and principals have shared additional updates.

This year's district goals continue to prioritize safety and academic excellence. Please see page two for details and visit our website for more information. You'll also receive updates soon about the December 9, 2025, referendum focused on school infrastructure.

As we move forward together, I invite you to stay engaged, ask questions, and continue taking an active role in our school community. Whether it's through supporting the Home and School Association, attending a Shamong Foundation for Educational Excellence event, attending Board of Education meetings, contributing to the Special Education Parent Advisory Group – IMPACT, or simply staying informed through our monthly newsletters, your involvement—big or small—makes a meaningful impact.

Warm regards,

Mayreni Fermin-Cannon

Mrs. Mayreni Fermin-Cannon
Superintendent of Schools

2025 - 2026

SHAMONG TOWNSHIP SCHOOL DISTRICT

DISTRICT Goals

CURRICULUM & INSTRUCTION

#1 - Continue building foundational literacy, comprehension strategies, and fluency skills for K-2nd graders while implementing the new Schoolwide reading program with fidelity.

#2 - Continue strengthening reading comprehension skills and boosting understanding for 3rd-5th graders while implementing the new Into Reading program with fidelity.

#3 - Continue strengthening mathematical understanding in Grades 6-8 by implementing the Into Math program with fidelity.

TECHNOLOGY

#1 - Build and promote the Shamong Township School District brand through consistent materials and a vibrant social media presence that celebrates students and informs families.

#2 - Boost productivity and simplify user experience by streamlining access to newly adopted digital curriculum and automated rostering.

BUILDINGS & GROUNDS

Prepare for a December 9th referendum by informing the community of current infrastructure needs through transparent dialogue about the anticipated impact of proposed improvements.
