

# FORK IT OVER

*Octoberfest Edition*

April 1, 2026

To:

**This letter is about Feeding Kids.**

As a child, did you ever go to school hungry?

For too many children in Edmonton, that's still a daily reality. Hunger makes it hard to focus, learn, and succeed.

For over 20 years, the Rotary Club of Edmonton Mayfield's Fork It Over fundraiser has helped provide nutritious meals to more than 200 students at Brightview Elementary School, giving them the fuel they need to learn and grow.

This year, we're expanding our impact.

In partnership with Sport Central, we're also helping kids access the sports equipment they need to stay active, build confidence, and feel included.

Together, we're supporting children in two essential ways:

- Nourishing their bodies so they can learn
- Equipping them so they can play and belong

We invite you to "fork it over" and support local kids in a meaningful way. Your contribution will help ensure no child goes hungry or sits on the sidelines.

Thank you for making a difference in our community.

Yours sincerely,
