

**Last Update: March 13, 2024**

***Work With Us, Not For Us***

Our goal is to provide the ideal fun environment for passionate, like minded professionals to run their own independent healthcare business while benefiting from the services and tools of a larger collaborative clinic. Our goal is to provide the best opportunities and resources for your business to grow, while creating opportunities to learn and collaborate with other like minded health care professionals. We help streamline your business processes, reduce stress, improve efficiency, and help further develop your business. We provide an a la carte approach, allowing you full flexibility and scalability as needed. Our goal is to create the best clinic space to *Work With Us, Not For Us*.

Our clinic is in a prime location in the center of Tsawwassen, a growing oceanside community thirty minutes south of Vancouver.

**Job Description:**

- We are seeking a registered Physiotherapist for a full or part-time opportunity.
- Prime location in Tsawwassen, a growing oceanside community thirty minutes south of Vancouver.
- Build your own practice while maintaining the benefits and support of a larger collaborative multi-disciplinary clinic.
- Flexible hours and treatment days.
- Compensation is percentage split to start with opportunity to move to flat rate if preferred.
- Collect your own billings optional on flat rate
- Billings primarily cash based, with minimal insurance billing to ICBC, worksafe and MSP.
- Flexible start date
- Ground floor with lots of free parking and transit access.

- Clinic design and layout is spacious and comfortable with a clean modern atmosphere, high ceilings, and air conditioning.
- Large, fully equipped treatment rooms plus a rehabilitation exercise space.

### **Benefits:**

- Completely Flexible hours and treatment days allow more opportunities for you to focus on your other passions - like family, friends, sports, and hobbies for better work-life balance.
- Enjoy the flexibility, and satisfaction of running your own practice, without the financial stress, licensing headaches, and other challenges that come with starting your own practice.
- Bill on your own terms, control your cash flow, and set up direct deposit to your independent business account (with flat rate option).
- Diverse patient population, with very little ICBC, WCB, or MSP billing. High percentage of patients have insurance benefits making direct billing an easy and cost-effective option to set up.

### **You will want to work with us if you are:**

- A community-minded practitioner with a great personality and excellent patient communication skills;
- Works well in a professional environment that's still casual and fun.
- Comfortable working as part of a team, but also confident and comfortable working independently.
- Interested in a general practice with a wide variety of client cases, or; Looking to offer specialized services to fill a service gap in this under-resourced community.
- Keen to build a thriving, long term practice

### **Services & Supplies Provided by the clinic:**

- Large, fully equipped treatment rooms with hydraulic / electric table
- Jane Clinic Software EMR
- Virtual assistant reception services for appointment booking, rescheduling and handling patient inquiries
- Basic Marketing (website, social media)
- Professional cleaning services
- High speed internet, Cloud Fax, Phone, Security System
- Supplies and equipment, including linens and lotions
- Adjustable standing/sitting desks
- Rehabilitation exercise space
- In clinic washer and dryer
- Point of sale terminal and payment processing (optional)

### **Chiropractors & physiotherapists:**

- LiteCure ® Class IV Deep Tissue Laser Therapy
- TOG GaitScan™ dynamic gait scanning platform
- Orthotic casting supplies
- IFC / Ultrasound
- Graston Technique ®

### **Rehabilitation Exercise Space (all practitioners):**

- Hydraulic Keiser Functional Trainer
- FMS assessment kit
- Treadmill
- Kettlebells, rubberized dumbbells, plyometric boxes, and resistance bands

### **PT Requirements:**

- Registered member in good standing of the College of Physical Therapists of BC

### **Ideal candidate requirements:**

- Interest in evidence-informed practice and patient centered care.
- Able to demonstrate a continuous motivation to learn and update knowledge and skills.
- Deeply committed to patient care and professionalism.
- Comfortable providing care to a wide variety of patients with the skills to vary treatment approach as necessary.
- Practitioner who is highly detail oriented, organized, and is interested in managing their own schedule and billings, with control over their own accounts receivable and payment processing.

### **Other assets:**

- Familiar with the EMR software Janeapp.com is an asset but not a necessity
- Other training such as FCAMPT, IMS, or acupuncture, considered a strong asset.
