Instructions:

1. Crease Petal Pink CS for card base. Emboss the Balmy Blue CS with the Soft Waves 3D Embossing folder and adhere to the cardfront.
2. Stamp the sand with Crumb Cake ink onto the Crumb Cake CS, then tear the top. Adhere to the bottom of the Balmy Blue CS.
3. Die cut the tote from the Woven Textures DSP, the strap and edging from the Pecan Pie CS, the shell and bottle from the Petal Pink CS, the starfish and sunglasses from the Calypso Coral CS (adding adhesive sheet to the back of the cardstock first) and the sunglass shades from the Basic Black CS.
4. Fold the tote along the creased lines and add Pecan Pie Stampin' Blends to the creases lightly and to the straps and edging to make them appear leathery.
5. Adhere the tote to the cardfront by adding adhesive to the flaps and add a few dimensionals behind the middle of the tote. Adhere the straight straps first (make sure they match the width of the handle strap before adhering).

6. Assemble the sunglasses and add Wink of Stella Glitter Brush then adhere to the tote. Adhere the bottle and shells.
