

Legally Blonde now 20% more Pony: Forever Alone

(Discord has ruined everything. Imagine gray Twilight.)

TWILIGHT

Take back the books and pack up the clothes
Clear out the room and drop off the key
Leave with what's left of my dignity
Get in the kart and just go

Chalk it all up to experience
He said I'd fail but I disagreed
Who could say then where my path would lead?
Well, now I know

To Canterlot
To the old spot
To the old place I do know...

To the unknown
Back in my own
Comfy abode

Without my friends
When I arrive
I'll just stay locked up inside.
That's fine with me
Just let me be
Forever alone

(Spike enters)

Thanks for your help and for all you've done
Thank you for treating me decently

SPIKE

(spoken) What's wrong?

TWILIGHT

Maybe someday you can visit me
Give me a call, say hello

SPIKE

Wait, where are you going?

TWILIGHT

Sorry I'm letting down everyone

SPIKE

What brought on this?

TWILIGHT

You did your best with a hopeless case

SPIKE

That's ludicrous

BOTH

You are the best thing about this place

SPIKE

Twilight, you should know...

TWILIGHT

(spoken) I'm going back to Canterlot.

SPIKE

(spoken) Why?

TWILIGHT

(spoken) Look at Discord. Look at me. Friendship is over. There's no reason for me to stay.

SPIKE

What about us?

I never mentioned us

The timing's bad, I know

But perhaps if I made it more clear

your friends need you right here

You wouldn't have to go

Cause you know that I need you to stay.

TWILIGHT

To Canterlot

To the old spot

To the old place I do know...

SPIKE

Please will you open the door

TWILIGHT

Lie on the beach

Dream within reach

Don't stray beyond

SPIKE

We both know you're worth so much more

TWILIGHT

Some girls fight hard

Some face the trial

Some girls just aren't meant to smile

SPIKE

If you can hear, can I just say

How much I want you to stay

TWILIGHT

It's not up to me

Just let me be

Forever alone

SPIKE

We need you to stay...

TWILIGHT

It's not up to me

Just let me be

Forever alone
