He isn't a doormat." Sam astonished said, Bruce, annoyed "Just give me some advice! Are you afraid? ", Sam reluctantly said, "Calm down bro, I'll help you, first you can try this…."

The other day at school, "Alen, please accept this." "Alen, want to play some game?" "Alen, I had seen that movie, you're so fantastic" everyone centers around Alen and wants to cater to him. "Haa…, there no one wants to be my friend, just I'm an actor" Alen was so disappointed.

Another day Alen went to school, he opened his locker and there was covered with a sticky note that was filled with criticism of his movie and threatened him to transfer. "Are you sure that will threaten him ? " Bruce asked Sam, "Well...Maybe can't but that can let him know, that not everybody loves him in school, and maybe that can scare him. Shh...he's coming."
When Alen opened his locker, his heart missed a beat, but he didn't show emotion, and went to his class, "It's not working, this program failed." Bruce said, "It's hard to threaten him, let's try another plan." Sam said, Bruce thought "Why I have mixed feelings about that"
Sam's ideas became worst day by day, but Alen also didn't show his emotion.
Bruce is confused that why he can always be fine? , so he decided to stalk Alen to know the reason. Everything will be fine…Keep smiling… Alen, you can do it." "Oh…is that Alen? What did I do…" when Alen was going out of the toilet, he heard someone call him, "OH, Are you, Bruce Walker? I love your performance on the field." Alen said, "Well…I...I want to apologize to you, I put a lot of sticky notes in your locker." "Oh, hahaha, that is fine, because I am an actor, receiving some criticisms is nothing to me. So…Have you wanted to say another thing to me?" "Well…when I did that I have mixed feelings about you, maybe I fell in love with you, I want to protect you…would you give me an opportunity?" Bruce said.
"That will be my honor."
After that Bruce helps Alen deal with some tough problems and cherish each other more and more, they both think "It's really lucky that I met you. "
