

Nordic Cyber 4-kamp 2023

It is finally time for the Nordic Cyber 4-kamp 2023!

Time: Saturday 28th of January 2023, 10:00 - 17.59 (11:00 - 18.59 in Finland).

You decide for yourself when you want to start, there are 4 tasks and each task has a time limit of 1 hour.

This year the competition will be based on e-mail and not at www.4-kamp.dk.

Rules: You will find the rules further down in the letter

Registration: The registration will be conducted by sending an email to nc4k2023@gmail.com containing:

- Your patrol name
- The name and country of your scout group
- The name and age of each patrol participant
- A photo of your patrol taken on the day of registration

After sending your registration e-mail, you will receive further instructions (though not earlier than 28 January at 10:00, at 11:00 in Finland).

If you have any questions you can e-mail Josefin.fredriksson@huddingescoutkar.se or nc4k2023@gmail.com

Don't forget to attend the Facebook event

Rules

For the cyber 4-kamp we have 2 classes of competition.

Scout Patrols

- A patrol is at least 3 and at most 8 scouts
- All members of the patrol must be between 10 and 16 years of age

Oldboys Patrols

- No limits on number of participants.
- A patrol must participate as oldboys if at least 1 member is above 16 years of age.

Registration

- All patrols must register by email nc4k2023@gmail.com to enter the competition.
- Email a picture of the patrol taken on the day of competition. Failure to provide a picture will disqualify the patrol!

Required Materials

In order to complete the 4-kamp the following materials should be available to each patrol.

- A computer with an Internet connection.
- Picture of the patrol taken on the day of competition.
- An email address for each patrol. This email should work during the 4-kamp. The entire competition will be communicated via email.
- Digital camera (set the picture resolution as low as possible).
- English dictionaries for all these stupid words you have forgotten.

Competition

- The competition starts at **10:00** (11:00 in Finland) on Saturday the 28th of January 2023
- The competition ends at **17:59** (18:59 in Finland) on Saturday the 28th of January 2023
- Each discipline has a time limit of **60 minutes**. If you submit answers later you get a time penalty. You have to keep track of the time yourself.
- Both correct answers and time counts. Correct answers count before time usage.
- The time starts when the patrol gets the email with the task.
- The time stops when the competition management submit the answers.
- The results with points will be posted on Facebook.
