James M. Dunn and Douglas Shumway,

I will finish this song some day.
Paul Koelliker, Ronald Rasband,
Bright and peppy, like a brass band,

Donald Hallstrom, Don R. Clarke,
Lynn G. Robbins hits the mark,
Octaviano Tenorio,
Nothing rhymes with Tenorio,

William Walker, Michael Ringwood,
Jose Teixeira thinks I sing good.
Douglas Callister, Bruce C. Hafen,
All this talk, my voice is chafin',

Christoffel Golden Jr.,
I wish this song had ended sooner,
Keith R. Edwards, Robert Wood,
Taking a breath would be really good,

Walter Gonzalez, David Burton,
Now my lungs are really hurtin',
Give 'em a hand now if you please,
Those are the general authorities!
