SHAWN
Good evening sir! What can I help you with?

TOBY
I want a pack of Newport Lites.

SHAWN
We don't sell cigarettes anymore.

TOBY
Are you trying to be healthier? Embracing the pharmacy and wellness idea?

SHAWN
We like hurting people.

After decades of getting people hooked, we are pulling the rug out from under their feet.

TOBY
That seems unnecessarily mean to your customers.

SHAWN
They weren't OUR customers. Just loitering addicts.

TOBY
Are you making any other changes? Have you finally cut your receipts down to a normal size?

SHAWN
We made them longer.

(Blackout.)
