Job Objective

Applying for a position as an Assistant or Deputy Chief in CAL FIRE.

Current Position

Battalion Chief / Fire Marshal Atwater City Fire/Rescue

10/2024 – Current

CAL FIRE, MMU, Merced Division, Atwater City Fire/Rescue

2006 Avenue 2. Atwater, Ca 95301

As the Battalion Chief Fire Marshal for the City of Atwater, I coordinate and manage administrative activities within the city. As part of these responsibilities, I review timesheets, travel claims, and other administrative documents for accuracy, completeness, and approval. I also prepare and maintain files, records, drafts, maps, and fire protection planning documents and oversee programs related to weed abatement, hydrant maintenance, engineering, and specialized protection systems. To ensure the effective operation of the Fire Department's Planning & Engineering section, I work closely with City Council Members, the City Planning & Building Department, developers, citizens, and other stakeholders to ensure planning and engineering efforts align with Department goals and objectives. In collaboration with the Training Department, I play a key role in developing and implementing local training policies and regulations. I maintain the necessary knowledge and skills to effectively enforce building and fire codes and conduct inspections of facilities and equipment to ensure compliance with the California Fire Code. As part of my duties, I interact with county agencies, local law enforcement, building owners, occupants, witnesses, and Fire Department personnel during investigations, code enforcement activities, and training exercises. During significant incidents that generate media attention, I represent the Atwater City Fire Department as a Public Information Officer (PIO), providing accurate and timely information to the public and media. I also provide Battalion Chief coverage, respond to emergency incidents, and direct operations involving wildland and structural fires and other emergency situations. As a Safety Officer, I work alongside responding personnel to ensure their safety and well-being while effectively mitigating emergency incidents.

Programs / Cadres Involvement

Merced County Shop Supervisor	06/2025 – Current
Unit Lead for Peer Support	06/2024 – Current
PIO for CAL FIRE IMT 6	03/2024 – Current
C-203 Cadre Member	02/2023 – 01/2026
C-403 Cadre Member	02/2023 – Current
C-200 Cadre Member	12/2025 – Current

Experience

Battalion Chief / Mariposa Headquarters

6/2024– 10/2024

CAL FIRE, MMU, Public Information Officer, Peer Support Lead, SRA Relief

5366 Highway 49 North, Mariposa, Ca 95338

As a Battalion Chief, I manage emergency operations, taking command during wildland and structural fire incidents. I also serve as a liaison between the department and external stakeholders, including the media, local government agencies, and community organizations. I ensure the accurate and timely dissemination of information during emergencies when upper management is unavailable and the consistent release of information across multiple counties. A key part of my role is fostering relationships with cooperating agencies, stakeholders, and media representatives. I provide media safety training to external stakeholders, ensuring they are prepared to report on emergency situations without putting themselves at risk. I also assist in delivering public information-related courses. In addition to my operational duties, I oversee the peer support program, providing essential emotional and mental health support to personnel within the unit. Currently, I serve as a lead cadre member on C-203 and C-403 assignments, contributing to the department's training and operational excellence.

Battalion Chief / Sacramento Communications

2/2023 – 6/2024

*CAL FIRE, Sacramento HQ, Communications
715 P. St. Sacramento, Ca 95814*

In my role within CAL FIRE's Communications Program, I represented the Department's interests and provided leadership and support to Units and Programs. I served as a Department spokesperson at all-hazard incidents and coordinated the release of information to ensure accurate and consistent messaging. I responded to media requests by providing relevant information, statistics, and resources. I assisted with interviews and the selection of staff and gained experience supervising personnel, establishing priorities, organizing work assignments, and providing guidance and training. I oversaw the vehicle fleet assigned to the Sacramento Communications Program, ensuring required vehicle services and maintenance were current and parking passes were properly maintained and assigned. I assisted Unit management and Unit PIOs with the implementation and use of the new CAL FIRE Portal system, providing guidance on effectively utilizing the platform to provide the public with accurate, timely, and up-to-date emergency information. As the Communications Program Duty PIO, I responded to emergency incidents, coordinated incident information, and provided support to CAL FIRE Units and Incident Management Team PIO shops as needed. During the absence of the Deputy Chief of Communications, I assisted with the day-to-day leadership and management of the Communications Program and provided executive-level communications support to Department leadership. I assisted with sensitive and high-profile messaging, coordinated communications priorities, and helped maintain continuity of operations within the Communications Program. I developed and distributed approved talking points to staff based on guidance from the Executive Office and assisted in developing talking points and messaging for the Director's Office and Governor's Office. I provided executive-level communications support during Wildfire Preparedness Week (WPW), coordinating statewide messaging, media activities, Department leadership, and cooperating agencies to ensure consistent and effective public information. I maintained relationships with cooperating agencies, stakeholders, and media representatives and represented CAL FIRE at meetings, committees, and formal presentations.

Fire Captain / Atwater City Fire/Rescue

3/2019 – 2/2023

*CAL FIRE, MMU, Merced Division, Atwater City Fire/Rescue
699 Broadway Ave. Atwater, Ca 95301*

Successfully responded to and managed fires and all-risk emergencies. I have undertaken a range of responsibilities delegated by the Battalion Chief, including maintaining accurate attendance and time reporting records, serving as a member of the Hazardous Materials/Aircraft Rescue Firefighting (ARFF) team, obtaining Truck Qualifications, and coordinating and organizing skills assessment training at the battalion level. I have consistently upheld professional standards and cleanliness throughout the station, creating an environment that promotes efficiency and safety. I have taken charge of facility equipment safety inspections (CAL FIRE -66) and diligently maintained IIPP binders at the station to ensure compliance with safety regulations. Additionally, I have represented the Battalion in the Unit Safety Committee, actively participating in initiatives to enhance safety practices. One of my notable achievements includes the development of an Excel program. This innovative solution streamlined the coordination of over 2000 Hydrant flow tests and repairs in collaboration with the city of Atwater's public works water department. By implementing this program, I significantly enhanced efficiency and accuracy in managing these vital tests, resulting in valuable time and resource savings. Furthermore, I have prioritized, scheduled, and performed timely maintenance and repairs on all fire apparatus and command vehicles. This proactive approach ensures the readiness of our emergency response resources, effectively contributing to swift and efficient emergency operations. Overall, my experience highlights my ability to effectively lead emergency responses, coordinate staff assignments, uphold professional standards, maintain safety compliance, and optimize maintenance operations.

Surge Instructor, Fire Captain / CFTC

*CAL FIRE Training Center
4501 State Highway 104 Ione, Ca 95640*

5/2022 – 9/2022

21-week assignment

As a Surge Instructor at CAL FIRE Training Center, I actively engaged in teaching a diverse range of course topics, both in classroom settings and out on the fire grounds. I took part in evaluating students' practical skills during their practice sessions, and I was assigned as one of the skill evaluators on test days. Recognizing the importance of maintaining physical fitness and wellness within our department, I diligently participated in and monitored the required daily physical fitness and training activities. I made myself accessible to students, providing support and guidance throughout their time at the academy. I was available to address any questions, concerns, or issues they may have had and offered motivation, coaching, mentorship, and leadership. As a liaison between the Academy students and the Training Center, I facilitated effective communication and acted as a bridge between the two entities. Furthermore, I carried out the responsibility of transporting students to emergency care when necessary. In terms of administrative duties, I oversaw the Surge Instructor's schedule, ensuring that overtime and Intime records were updated on a weekly basis for approval by the COA Battalion Chief. I also took charge of coordinating hotel arrangements for all Surge Instructors, meticulously reviewing paperwork to ensure accuracy and compliance with required signatures. I had the opportunity to acquire proficiency in operating the Sim Table and was entrusted with overseeing its functionality when staffing was unavailable. Additionally, I assisted in the setup and breakdown of graduation ceremonies, contributing to the smooth execution of these significant events.

Fire Captain / Assistant Deputy Director of Administration for OES

*CAL FIRE, MMU, Merced Division, Merced County Headquarters / Emergency Operation Center
3500 N. Apron Ave. Atwater, Ca 95301*

6/2017 – 3/2019

In the Deputy Director of Administration's absence, I assumed the responsibility of overseeing various programs within the Emergency Services Division, encompassing a wide range of operations and training. My duties included the preparation and updating of Emergency Operations Plans for both county and incorporated cities. I coordinated the efforts of local, state, and federal agencies in disaster preparedness, response, recovery, and mitigation activities. During actual emergencies, I played a crucial role in coordinating emergency operations from the Emergency Operations Center. Additionally, I designed and conducted emergency management exercises to ensure preparedness and foster effective collaboration with other agencies such as the California Highway Patrol (CHP), Merced County Sheriff, United States Forest Service (USFS), State and County roads, and local fire departments. I served as a primary point of contact for facilities equipment safety inspections (CAL FIRE -66) and maintained IIPP binders at the Emergency Operation Center. In a significant incident that attracted substantial media attention, I represented the Merced County Fire Department as a Public Information Officer. Furthermore, I assumed responsibility for all grant activities associated with Federal and State Homeland Security Grants. When the Emergency Operations Center (EOC) was activated, I seamlessly integrated into the Incident Command System (ICS) structure, filling in roles as needed. I also played a role in critical incident stress management within the Unit, either as a coordinator or lead. In the absence of the Battalion Chief, I provided coverage for the battalion, responding to emergency incidents and directing activities related to wildland and structural fires, as well as other emergency operations. As a Safety Officer, I promptly responded to incidents within the Unit, working alongside responding personnel to mitigate emergencies and ensure the well-being of all assigned personnel involved.

Fire Captain / Fire Marshal Atwater City Fire/Rescue

1/2018 – 3/2019

CAL FIRE, MMU, Merced Division, Atwater City Fire/Rescue

699 Broadway Ave. Atwater, Ca 95301

In the absence of the Battalion Chief Fire Marshal in the City of Atwater, I assumed the role of coordinating and managing administrative activities within the city. This involved handling various tasks such as preparing files, records, drafts, maps, and fire protection planning. I also oversaw programs related to weed abatement, hydrant maintenance, engineering, and specialized protection systems. To ensure the smooth functioning of the Fire Department's Planning & Engineering section, I worked closely with City Board Members, the City Planning & Building Department, developers, citizens, and other relevant entities. Together, we ensured that all planning and engineering efforts aligned with the department's goals and objectives. In collaboration with the training department, I played a key role in developing and implementing local training policies and regulations. Additionally, I maintained the necessary skills to enforce building and fire codes effectively. Conducting regular inspections of facilities and equipment was part of my responsibilities to ensure compliance with California fire code standards. As part of my duties, I interacted with county agencies, local law enforcement, building owners, occupants, witnesses, and fellow fire department staff during investigations, code enforcement activities, and training exercises. In significant incidents that garnered substantial media attention, I represented the Atwater City Fire Department as a Public Information Officer (PIO), providing accurate and timely information to the public and the media. Furthermore, I provided battalion coverage in the absence of the Battalion Chief, promptly responding to emergency incidents and directing operations related to wildland and structural fires, as well as other emergency situations. In the capacity of a Safety Officer, I worked alongside responding personnel, ensuring their safety and well-being while mitigating the emergency incidents effectively.

Fire Crew Captain / Administration Captain

5/2014 – 6/2017

CAL FIRE, MMU, Mariposa Division, Mt. Bullion CC #39,

5730 Mt. Bullion Access Rd. Mariposa, Ca 95338

In my role as a Fire Captain and Camp Administrator, I have been extensively involved in ensuring that proper procedures and paperwork are followed for FC 77, 79, and 80 packets. Additionally, I have actively managed the budget component of the position while overseeing the Wood, Metal, and Saw shop programs. I have assigned tasks and duties to inmates, focusing on projects for the camp and fulfilling requests for assistance from various stations. A key priority of mine has been to ensure that the camp meets the needs of CAL FIRE Director by deploying crews to Tree Mortality Projects every weekday. This has required diligent planning and coordination to ensure crews are sent out regularly. Another aspect of my responsibilities has been purchasing supplies, equipment, and materials, accounting for approximately 85% of the camp's budget. I have also managed the camp's daily operations, including budgeting and arranging necessary repairs. As the point of contact for facilities equipment safety inspections (CAL FIRE -66), I have maintained compliance and safety standards at Mt. Bullion Camp. Additionally, I have been responsible for managing and updating the Injury and Illness Prevention Program (IIPP) binders. I have successfully completed my task book and have served as one of the few strike team leaders within the camp. As a Fire Crew Captain, I have consistently demonstrated mental and physical endurance. Mentally, I have handled the stress of staying alert and staying ahead of the needs of the 11-17 inmates under my supervision.

Firefighter II / Madera City Station #57

5/2012 – 5/2014

*CAL FIRE, MMU, Madera Division, Battalion 10
200 S. Schnoor St. Madera, Ca 93637*

I actively engaged in wildland and structural fire protection, providing timely responses to medical aids, motor vehicle accidents, and public assistance requests. I also took responsibility for performing maintenance tasks on station equipment to ensure their proper functioning. Furthermore, I played an integral part in Public Education training, where I conducted sessions for local schools and neighborhood watch programs, imparting knowledge on fire safety and prevention. I prioritized training activities to ensure the readiness of the station and equipment, ensuring that they were in optimal condition for emergency responses. I was assigned to the Madera County Hazmat team, where I participated in handling hazardous materials incidents, utilizing specialized skills and knowledge. As part of this role, I conducted bi-annual hydrant flow tests to ensure adequate water supply for firefighting operations. In addition, I provided valuable assistance in maintaining the fire apparatus, ensuring that all services were regularly updated and in compliance with regulations.

Fire Captain / Winton Station #63

5/2010 – 5/2012

*CAL FIRE, MMU, Merced Division, Battalion 16
6825 Winton Way. Winton, Ca 95388*

In an Incident commander capacity, I would promptly respond to and effectively manage fires and various all-risk emergencies in a Incident Commander capacity until the Battalion Chief arrived at scene. As part of my responsibilities, I worked closely with the Battalion Chief and undertook diverse staff work assignments. One of my key tasks was reviewing all LE-66 forms within the battalion before submitting them to the Prevention Bureau. This involved ensuring that all necessary information and documentation were complete and accurate. I also played a crucial role in scheduling to ensure adequate coverage at all stations throughout the week. Additionally, I organized Round Robin Training sessions monthly for both paid staff and reserves within the Battalion. This training aimed to enhance their skills and maintain a high level of preparedness. I was assigned on the Merced County Hazardous Materials Team and Aircraft Rescue Firefighting (ARFF) unit. Within this role, I maintained comprehensive training records and facilitated the coordination and organization of skill assessment training at the Battalion level. This ensured that all personnel were well-trained and equipped to handle hazardous materials incidents and provide effective aircraft rescue firefighting services.

Fire Captain / Shop Supervisor

11/2010 – 5/2011

CAL FIRE, MMU, Merced Division, Castle Shop

11/2011 – 5/2012

Winter Assignment

In my role, I assumed responsibility for planning, organizing, coordinating, and supervising the operations of the Merced County Fire Fleet. To ensure efficient workflow, I prepared servicing schedules, assigned tasks, and delegated duties within the facility. Additionally, I personally serviced and repaired County fleet vehicles as needed, prioritizing timely completion of work. As a primary point of contact, I liaised with County employees who delivered vehicles or equipment to the facility for service or repair. I facilitated contracted arrangements with private garages and vendors to handle repairs of County-owned vehicles and equipment. A key aspect of my role involved maintaining safety standards, policies, practices, and procedures to adhere to legal requirements and regulations while minimizing accidents and injuries. I actively contributed to the planning, development, and implementation of new Fire Engines, Medium Rescues, and Command Vehicles in the Merced County Fire department. I took charge of preparing and approving requisitions for parts and supplies, ensuring efficient inventory control to minimize waste and loss. I assisted in handling preliminary assessments of accident damages and coordinated necessary repairs to ensure prompt restoration of vehicles.

Fire Apparatus Engineer

5/2006 – 11/2008

CAL FIRE, MMU, Merced Division, Battalion 16, Franklin/Beachwood/McSwain Station #61

5/2009 – 5/2010

CAL FIRE, MMU, Merced Division, Battalion 19, Hilmar Station #95, Battalion Relief

A supervisor of an engine company, I swiftly responded to various fires and emergencies while efficiently managing staff assignments under the guidance of the Battalion Chief. A key responsibility was meticulously reviewing pre-fire plans to guarantee accuracy and completion, ensuring all necessary information was present. Additionally, I organized and coordinated fire prevention activities such as school presentations and inspections to enhance community safety awareness. Skillfully managing short-time overtime and vacation scheduling, I maintained optimal staffing levels for seamless operations. In the absence of the Fire Captain, I assumed the role of station manager, overseeing daily tasks and responsibilities.

Fire Apparatus Engineer / Training Officer

11/2008 – 5/2009

CAL FIRE, MMU, Merced Division, Training

Winter Assignment

As the Training Officer for the Merced Division in the fire service, I held the responsibility for overseeing the Training and Safety Program, managing a team of approximately 80 Paid and 300 Volunteer Personnel. I successfully obtained and administered certifications through the California State Fire Marshal's Office and Merced College, ensuring compliance with industry standards. Utilizing PowerPoint presentations, I delivered engaging and informative courses as part of the training program. Additionally, I completed various staff assignments under the direction of the Operations Chief, showcasing my attention to detail and ability to handle diverse tasks. I actively collaborated with the media to promote the training program and disseminate live fire press releases. To further enhance my expertise, I regularly provided Battalion coverage and assumed command during large-scale incidents, sharpening my command-and-control skills. Overall, my role encompassed leading and enhancing the Training and Safety Program, coordinating certifications, executing presentations, managing staff assignments, and demonstrating leadership during critical incidents.

Firefighter

6/2005 – 5/2006

Merced City Fire/Rescue, Headquarters Station # 51- Engine / Truck / Squad

Merced Airport Station #52 – Engine / ARFF

Seasonal Firefighter I

5/2001 – 6/2005

CAL FIRE, MMU, Merced Division, Battalion 17, Los Banos FFS

CAL FIRE, MMU, Mariposa Division, Battalion 11, Hornitos FFS

Paid Call Firefighter

2/2001 – 6/2005

Merced County Fire, Battalion 18, McKee Station #85

Non-CAL FIRE Experience

Assistant Coach & Player Safety Coach

5/2022 – Current

Tri-City Football, Planada, CA 95365

Dedicated and experienced youth football coach focused on player development and safety. Assists with team management, training, and game strategy, with a strong emphasis on the well-being of young athletes. Proficient in teaching fundamental skills and contributing to effective game plans. Collaborative, detail-oriented, and committed to ensuring player safety through strict adherence to protocols. Provides constructive feedback, motivation, and cultivates a positive team culture. Excellent communication and coordination abilities with players, parents, and coaching staff. Serves as a mentor and role model, instilling good sportsmanship and guiding players on and off the field. Actively seeks professional growth and remains up-to-date on coaching methodologies and safety practices. Prepared to contribute to a dynamic coaching team, making a lasting impact on the development and safety of young athletes in the sport of football.

Logistics Staff Member, VETs Inc.

10/2020 – Current

*Veterinary Dermatology & MEDicine Seminar
Hawaii Islands*

Annual 2-week assignment

Experienced logistics professional skilled in supporting veterinary seminars in Hawaii, with expertise in year-round planning, registration management, and event setup and breakdown for seminars, luncheons, and receptions. Proficient in computer skills to streamline registration and event coordination, along with providing on-site support to ensure a seamless experience for attendees and speakers. Assist in ensuring all materials are efficiently packed and shipped back home post-event. Known for adaptability, attention to detail, and proactive problem-solving, consistently contributing to smooth event operations and high participant satisfaction.

District III Finance / L2881

5/2014 – Current

CAL FIRE L2881, 1731 J St. Sacramento, CA 95811

The District Director of Finance involve maintaining receipts for income sources such as dues, investments, and bank account interest. It also includes keeping track of expenses. All financial matters must be conducted in accordance with applicable laws, regulations, and the policies of CAL FIRE Local 2881. The Treasurer's responsibilities include maintaining accurate books and accounts, managing bank accounts, collecting and depositing funds in a timely manner, paying bills, reconciling bank statements, and potentially processing payroll. They are also responsible for providing financial statements for approval at meetings and ensuring annual audits are conducted. Additionally, the Treasurer keeps track of membership counts, maintains an inventory of union property, recommends cost control measures, prepares budget drafts, and disburses dues to chapters.

Director & Assistant Cook / Santo Cristo Festa

5/2014 – Current

*Portuguese Festa Organization
Atwater, CA 95301*

As the Director of a Nonprofit Organization, I have led transformative change through strategic leadership, creative program initiatives, and successful collaborations. My demonstrated ability to lead teams, secure funding, and engage stakeholders positions me to continue making a meaningful contribution to the nonprofit sector and the communities it serves. In my role as the Assistant Cook at a Nonprofit Organization, I have consistently supported the organization's mission by providing nourishment and fostering a sense of community through my culinary skills and dedication. My commitment to excellence, food safety, and participant satisfaction underscores my value as a key contributor to the kitchen team and to the organization's overall impact on the community.

Robert C. Carvalho

14140 Lindy Ln. Chowchilla, Ca 93610 Cell (209) 564-0110 Email: robert.carvalho@fire.ca.gov

Emergency Medical Technician

1/2013 – 1/2015

Pistoresi Ambulance, Madera, Ca

113 North R St. Madera, Ca 93637

I would promptly and safely respond to dispatched emergency assignments by driving to the scene. Upon arrival, I would assess the condition of patients through physical examinations, verbal communication, and gather information from bystanders or other involved agencies. During Long Distance Transfers (LDT) to other counties, I would closely monitor the patients, ensuring their well-being throughout the journey. I maintained accurate records and documentation, I made it a priority to complete all patient reports before the end of my shift, ensuring that vital information was captured and communicated effectively. Additionally, I took responsibility for keeping the vehicles prepared for the next emergency or crew by regularly cleaning them and ensuring that medical supplies were adequately stocked and readily available. This ensured that the vehicles were always ready for efficient response and patient care
