

## **Austin RISE Fund Grant Organizations**

The RISE fund is a \$15M COVID-19 relief fund, which [passed the Austin City Council unanimously](#). Its goal is to fill the gaps left by federal stimulus, especially with relief to non-citizens. Half is allocated to social service providers to assist with essentials like rent and utilities, and half will be unrestricted grants to cover whatever is needed most. If you or someone you know needs help, please contact the following organizations who received RISE grants:
