## Name of research topic

...

## Geographical areas of interest

Ukraine/Moldova:

Germany:

## Research questions

...

## Aims and objectives

(What are you trying to achieve and why? Explain what you are aiming to do and embed it into the bigger picture of the *Fields of Conflict* project topic.)

...

## Literature overview

(Give a short overview of the main relevant literature for this topic as well as some of the current, new trends in the field.)

...

### Research design

(Explain the theoretical approach to be used and name the methods that you will select. Please compile a mix of methods that is as diverse and synergistic as possible and that reflects the interdisciplinary nature of the task.)

...

### Time plan

(List the main stages and activities of your research and the respective time frames. This can also include stages before and after your research scholarship stay, e.g. desktop and literature research before and finishing of the report or publishing activities afterwards. You can add a table if you want.)
