3. Ellie Sciaky

1:30 PM to 4:00 PM (includes final take-down)

1. Ellie Sciaky
- 2.
- 3.

Note: If you are able to volunteer for the OLPC booth at SCaLE 12X, please sign up on the schedule below. We will need a minimum of 2 volunteers in each time slot. Each time slot is 2 ½ hours and includes a 30 minute overlap for the “changing of the guard.” To cover all slots adequately, we will probably want you to sign up for 2 (a total of 4 ½ to 5 hours).

Be kind to yourself! Leave time between your shifts so you will have a chance to visit the other exhibits and attend some of the sessions. Volunteers who sign up for 2 shifts will qualify for a FREE SCALE 12X registration that will admit you to most sessions, the exhibit halls, and the fun evening events on Friday and Saturday.

Ed and Caryl Bigenho will be there during part of the first and last time slots but since they will also be setting up and opening and closing the Coders’ Corner, they will need to divide their time accordingly.
