

Weekly Business Coffee Chat

Welcome! This is a relaxed, informal space for small business owners to connect, share, and support each other. Working for yourself doesn't have to mean doing it alone — this weekly drop-in is here to make sure you don't.

How it works

When: Fridays at 12:00 PM (Adelaide time)

Where: Zoom — same link each week

How: Join for 10 minutes or stay for the full 2 hours. Cameras are optional. Come as you are.

There's no agenda, no presentation, and no sales pitches, just real conversations with people who understand what it's like to run a business.

1. **Check-In:** Share one win and one challenge from your week
2. **Conversation:** Discuss anything: business, mindset, ideas, or even vent a little
3. **Wrap-Up:** Share one intention or focus for the coming week

Group guidelines

- Be kind, respectful, and listen generously

- Keep things confidential — what's shared here stays here
- Support each other without judgment
- No selling or pitching. This is about connection, not clients

Conversation starters

Not sure what to say? Try one of these:

- What's one small win you're celebrating this week?
- What's been your biggest challenge lately?
- What are you focusing on next week?
- What's one thing you'd love advice or input on?

RESOURCES & TOOLS

This is our growing library of tools, ideas, and recommendations shared by members. Explore these at your own pace — and if you have a great resource to add, email it to [your email address] so we can include it here.
