Bus Parking

All buses should exit the student drop off area, taking a right onto Delton Ave. They will then take the next right onto W Driveway (up the hill) and approach the bus parking area. Buses should keep to the left at the fork (top of the hill). Bus parking is on the opposite side of the building as the drop off area. There will be several slanted bus parking spots coned off near door 14N. Drivers can remove the cone as they arrive and pull in.

Dining Options

There are a number of restaurants in the Westwind Plaza area across highway 7 (on 101) from the high school, which is about 5 minutes from our campus.

Options there include: Potbelly, Noodles and Co., Bruegger's Bagels, Subway, Chipotle. There is also a Cub Foods. Buses can park in an open area in the parking lot and students can walk to the

restaurants of their choice. We do recommend chaperones spread out with the students for this, as it is a parking lot. Link to Google Maps for Westwind Plaza: [LINK](#) You can zoom in on the linked map for more detail on restaurant location.
