August 1, 2022

TO: HS Div Executive Committee Principals & Advisers
FROM: Michael Lovely, IASC Executive Director
RE: Upcoming HS Division Commitments

As you know, a member of your school community serves as an official of the IASC High School Division Executive Committee. In this capacity, this member has an important role in the delivery of the upcoming High School Division events listed below.

The involvement will vary by event.

August 26-28 – Region 5 State Officers Summit

September – IASC Officers & Chairs Summit @ A Member School

November 1 – HS Division Regional Workshop @ University of Evansville

November 2 – HS Division Regional Workshop @ Valparaiso University

November – HS Division Regional Workshop @ University of Indianapolis

March 9-11 – HS Div. State Convention @ Murat Shriners Temple

I am asking for your support of this great student leader in service to the IASC. It is that support that will be an important part to the success in fulfilling and surpassing the expectations both you and the IASC have.

Please excuse any absence from school as needed to carry out their service to the IASC. All fully understand that any missed school will be made up at the discretion of their high school. It's important to me that their service to the IASC in no way creates problems for you, for the school, or for them in any way.

Please let me know if you have questions or concerns. You may email me at michael.lovely@iasc.us. Together, we can make their service something that brings only positive benefits to your school, to the IASC, and perhaps, most importantly, to the student as an individual.
