Portfolio
2018-2019

What is a Portfolio?

- A collection of work that represents what you have learned and accomplished.

Why create a Portfolio?

- It will give you the opportunity to reflect on your strengths, what you enjoy, and what you do best.
- It will help you begin to create a plan for your future.

What should I include in the portfolio? What is an artifact?

An artifact is anything that can provide evidence of your academic, leadership and extracurricular experiences.

Examples:

- An essay you are really proud of.
- A test grade that reflects your hard work.
- A poem.
- An art piece.
- A shout out you received.
- A certificate of achievement.
