

Poplar Grove Middle School

2025-26 School-Parent Compact

What is a School-Parent Compact?

A school-parent compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work in partnership to make sure all students get the individual support they need to reach and exceed grade-level standards.

Effective Compacts:

- Link goals in the School Improvement Plan;
- Focus on student learning skills;
- Describe how teachers will help students develop their skills using high-quality instruction
- Share strategies that families can use at home; and
- Explain how teachers and families will communicate about student progress.

Jointly Developed

Families, students, teachers and administrators at Poplar Grove Middle School develop this School-Parent Compact together. Each group contributes ideas about how to best support students at school and home, as well as the methods used for ongoing communication. *Families are welcome to contact the school to share comments and suggestions at any time.* If you have something to contribute concerning this School-Parent Compact, please contact Dr. Erickson.

In the Classroom

PGMS will:

- provide high quality instruction and meet individual student needs using best practices
- ensure students have continuous SEL services and experiences to promote emotional well-being.
- support our EL students with multiple tiered interventions and programs to immerse students in rich ELL experiences

At Home

PGMS Families will:

- encourage students to read at home and have discussions about what is taking place at school
- communicate with teachers, stay involved with what's going on in classrooms, and ensure students are completing assignments by using resources such as Google Classroom, student planners, and Skyward
- focus on student emotional well-being by supporting schoolwide SEL initiatives

Students

PGMS Students will:

- use study time wisely, make studying and homework more meaningful to them, and stay engaged during class
- get to know other students in their classes
- recognize the value in speaking multiple languages and be supportive of peers learning a new language
