

# TWIN CITIES SOCCER LEAGUES

**COACHING  
EDUCATION**

## **Twin Cities Soccer Leagues**

### Base Coach Education Requirements

Updated: June, 2024

Applicable to new members, Club Directors of Coaching must possess a USSF 'C' License.

Rationale: coach education is accessible to the Twin Cities, as TCSL hosts a 'C' License annually. Existing member Directors of Coaching are highly recommended to obtain if they have not yet already.

Director of Coaching:

Required – USSF 'C' License

| <b>Number of Club Teams</b> | <b>USSF Grassroots Licenses<br/>(7v7, 9v9 and/or 11v11)</b> | <b>USSF 'D' License or higher<br/>(i.e. USSF 'C')</b> |
|-----------------------------|-------------------------------------------------------------|-------------------------------------------------------|
| 1-10                        | 3 total (2 Unique)                                          | 2 unique                                              |
| 11-20                       | 5 total (3 Unique)                                          | 3 unique                                              |
| 21-30                       | 7 total (5 Unique)                                          | 4 unique                                              |
| 31-40                       | 9 total (7 Unique)                                          | 5 unique                                              |
| 41+                         | 11 total (9 Unique)                                         | 6 unique                                              |
