

Utah Juvare Steering Committee Agenda

April 28, 2023

- ❖ 11:00 Welcome & Announcements - *Josh and Keith*
- ❖ 20 min: New business - *Steering Committee Members*
 - Discussion on WebEOC Usage and Observed Needs Related to Flooding - *Steering Committee Members*
 - Tammy reported that she created two sit reps this week and everything is working as expected, except for the sit rep builder issue she reported during the previous meeting
 - Keith reported that he has not heard of any issues using WebEOC from any of his stakeholders
 - Skyler reported that he hasn't heard of any major issues, although it has been challenging to get users to sign in and out on the Sign In/Out board
 - Follow Up on the Standardized Incident Naming Convention - *Steering Committee Members*
 - Josh sent a spreadsheet with agency abbreviations and short codes to Jeff MacDonald earlier in the week
 - Jeff reported to the group in past discussions that they will be able to create a list in WebEOC so that administrators can manage agency abbreviations if any emergency managers want theirs changed
 - Follow Up on Approved Full WebEOC Administrators - *Steering Committee Members*
- ❖ 20 min: Work group reports
 - *EMSuite - Keith Bevan, Michelle McGaughey and Michelle Hale*
 - EMTrack
 - Keith is connected with a group of physicians in the Salt Lake Valley that are starting to build out the use cases and connections between EMTrack and EMResouce
 - Keith observed positive progress on both EMTrack and EMResource, while progress is somewhat stalled on EMSupply
 - EMResource
 - EMSupply
 - *Region 2 WebEOC Work group - Tara Behunin*
 - Keith reported that many political subdivisions within Region 2 have been entering data in WebEOC which represents a positive step forward in user engagement
 - *DEM Work group - Skyler Stratford*
 - Skyler reported that Jake Ownsbey is developing training and job aids for sub-admins
 - The SEOC is seeing more requests in the RID board beyond sandbag requests, and users are acting on the training they've been provided
 - *GIS WebEOC Work group - Josh Groeneveld*
- ❖ 10 min: Juvare team updates - *Glen Roberson, Debrine Rosier and Jeff MacDonald*

Utah Juvare Steering Committee Agenda

April 28, 2023

- Glen reported that the Juvare team is working to align their efforts in a sprint-like cadence to better inform stakeholders attending the bi-weekly sprint review meetings

❖ 10 min: Unfinished Business - *Steering Committee Members*

❖ 12:00 Adjourn
