Germantown, WI — On April 24, 2023, the Germantown School Board approved Mr. Andrew Rooney as Germantown High School (GHS) Assistant Principal beginning July 1, 2023.

Mr. Rooney has served as the GHS Dean of Students/ACP Coordinator since the start of the 2022-23 school year. Following the resignation of the previous Assistant Principal this past fall, he assumed the interim role of GHS Assistant Principal. Furthermore, Mr. Rooney also has experience as an Interim Assistant Principal and Social Studies Teacher at St. Francis High School.

Mr. Joel Farren, GHS Principal, had the following to share regarding the hiring of Mr. Rooney:

“Mr. Rooney has established positive relationships with staff and students during his time here as the Dean/ACP Coordinator and as the Interim Assistant Principal. With the unexpected resignation of the previous Assistant Principal, our team was faced with taking on additional responsibilities. Mr. Rooney was integral in that process, and the transition to the interim position went extremely well.

During the hiring process for the permanent position, we had a large and highly competitive candidate pool, and Mr. Rooney was the unanimous candidate of choice. We look forward to having him here, to having some time to plan and strategize over the summer and are thankful for the skill set he brings to the GHS Administrative Team.”

Mr. Rooney shared a few words about his new role:

“I could not be more excited to join the Germantown community and am grateful for the opportunity to support the students, staff and parents of Germantown High School. Since arriving here this past August, I have been welcomed by wonderful colleagues. I greatly look forward to helping grow the successes of Germantown High School and supporting the mission and vision of the school.”

Germantown School District is excited to officially welcome Mr. Rooney in his new role and looks forward to his contributions as a leader at Germantown High School and in the Germantown School District.
