# Creating Your "FunRaise" Fundraising Page

1. Navigate to the [Community Support Teams FunRaise webpage](https://community-support-teams.funraise.org/):
    https://community-support-teams.funraise.org/

2. Select 'Become a Fundraiser'

3. Select 'Fundraise Individually'

4. Create a login. If you are making the page for another person or team, use the team leaders email address and information.

5. Add your Profile Picture and name your Team Page. Adjust your Fundraising Goal if needed.

6. In the top right corner of your fundraising page you review the donations your page has received, or adjust your account and page settings.
