Recommended District Assessment Schedule

Resource Center/Self-contained Classes

- ★ As with special education programs, assessments may need to be individualized to meet the student's individual needs. These are recommended assessments that will support progress monitoring as it relates to the IEP. Additional assessments should be utilized if deemed necessary by teachers/case manager
- ★ Teacher's may modify the assessment as long as it is consistent throughout the year. This should also be reflected in the PLAAFP.
- ★ Please consider using all general education assessments in addition to these assessments, as deemed appropriate, if a student will be transitioning to a less restrictive setting
