***Find Your People*, by Drew Holcomb**

You gotta find your people
The ones that make you feel alright
The kind you want to stay up with all night
You got to find your people
The ones that make you feel whole
That won't leave your side when you lose control
The ones that don't let you lose your soul

You gotta find your people
The ones that get the joke
Who understand what you're saying before a word is spoke
You gotta find your people
That put the needle in the groove
When you're together, you got nothing to prove
When you're together, you got nothing to lose

In a world of strangers, you don't know who to trust
All you see is danger, tryna find what you lost
You can't go in alone, everybody needs help
You gotta find your people, then you'll find yourself

You gotta find your people
That'll call your bluff
Who'll ride along when the road is rough
You gotta find your people
The ones that you feel equal
They pick you up and don't put you down
Help you find your way in the lost and found

The ones that understand you
The ones that lend a hand to you
The ones that don't demand anything from you

You got to find your people
The ones that make you feel alright
That tell you the truth then wish you well
You gotta find your people, then you'll find yourself

SPECIAL OFFERING FOR SEPTEMBER

Our cash offering will be split 50/50 between DUUC and **Bridge Communities**. You can donate by texting "**DUUC**" to **73256** using your mobile device or by placing cash or check in the circulating basket during the service. If donating by check, please note "BRIDGE" on the memo line. Thank you!

Please Note: Our sanctuary has a Hearing Loop assistive listening system. If you do not have a device with T-coil capability, you may ask an usher for a receiver and earphone.

Sunday morning worship is not possible without the many volunteers who make the morning run smoothly. We thank our audio-visual technicians, greeters, song leaders, offering counters, and ushers who do this good work. If you would like to volunteer to be part of the workings on Sunday morning, please contact:
