

Volunteering Opportunities for GPL & the Friends moved to GivePulse

We're thrilled to share some exciting news with you! Greenfield Public Library has launched a brand-new Volunteer Portal on the GivePulse website, and it's going to make volunteering easier, more organized, and more fun than ever. This will now be our one-stop hub for managing volunteer opportunities and keeping everything streamlined.

We are launching it publicly to YOU today (hopefully without glitches, but bear with us).

With the GivePulse launch, we will say goodbye to the shared Volunteer Opportunities file. All of the volunteer opportunities for the library and the Friends will be posted here. **If you want to volunteer at the GPL or with the Friends from this time forward, you need to register with GivePulse.**

Please follow the GivePulse directions to make an account and then **sign up for both or groups.**

It is recommended:

- If you **only want to volunteer for the GPL** that you register only for the GPL GivePulse group (*with the perk that BOTH GPL & Friends volunteer opportunities will be listed on its volunteer board*).
- If you are a **Friends member or volunteer, we recommend you register for BOTH** GivePulse groups (*if you only sign up for the Friends GivePulse group, you will not see the GPL volunteer opportunities on the Friends volunteer board, only the Friends opportunities can be listed*).

Remember, we recommend that you register for both:

★ For GPL registration:

<https://www.givepulse.com/group/1324196-Greenfield-Public-Library-MA>

★ For Friends registration:

<https://www.givepulse.com/group/1324215-Friends-of-the-Greenfield-Public-Library>

Registration and sign-up will be open to all through GivePulse **but the opportunity to volunteer will only be open to people who are part of the GPL or Friends GivePulse teams and require specific registration materials.**

Please note, if you have already signed up for one of the listed volunteer opportunities on the Excel Volunteer Opportunities form, we will be moving your sign-up as listed there to the new platform.

Sorry if this is confusing. Please contact Jeremiah at jeremiah.rood@greenfield-ma.gov or Rachel at info@friendsofgpl.org if you need clarity or assistance.

Thank you,

Rachel Roberts (Friends volunteer) & *Jeremiah Rood* (GPL Staff)
Volunteer Coordinators
