

Speaking on the article

- The article I'm going to speak about is taken from the magazine (journal, newspaper, text-book) "..."
- Some words about the journal
This journal is unfamiliar to me. I haven't read it before. (I've read it before.)
 - The main problem of the article is ...
The main idea of the article is on the surface of things
The main idea of the article is to be found both in and between lines
The main idea of the article ... deserves special attention
The author gives a detailed description of ...
The idea of the article is rather interesting
- The action takes place (Where? When?)
- In my opinion this article is written to present the serious (psychological, emotional, health, difficult) problem of ...
- The text seemed interesting to me and I think the article is worth reading
- I can't say I liked the text. It seemed boring to me. I don't think that this problem is worth discussing.
