

## Google Hangouts

### How to Open Google Hangouts in Gmail:

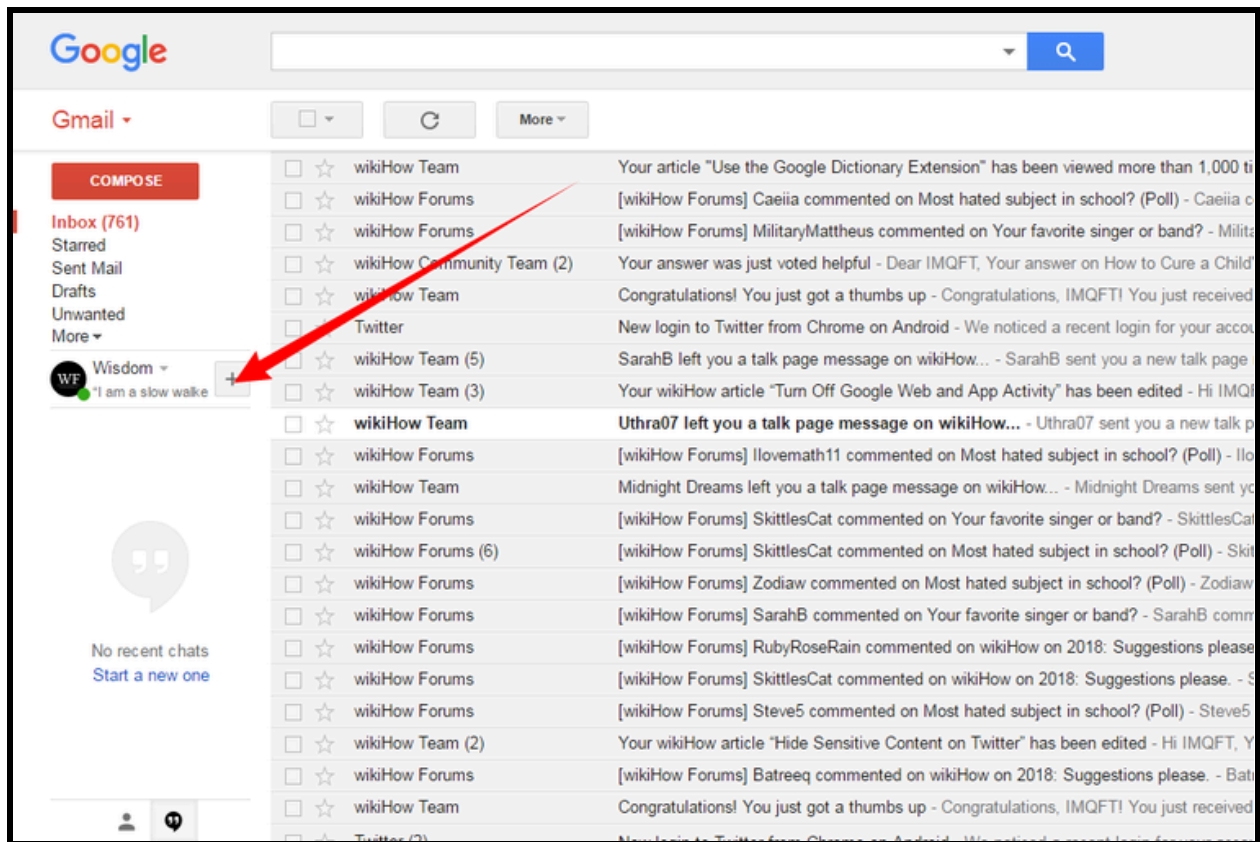

1. Go to Gmail and login with your docschools.org account.

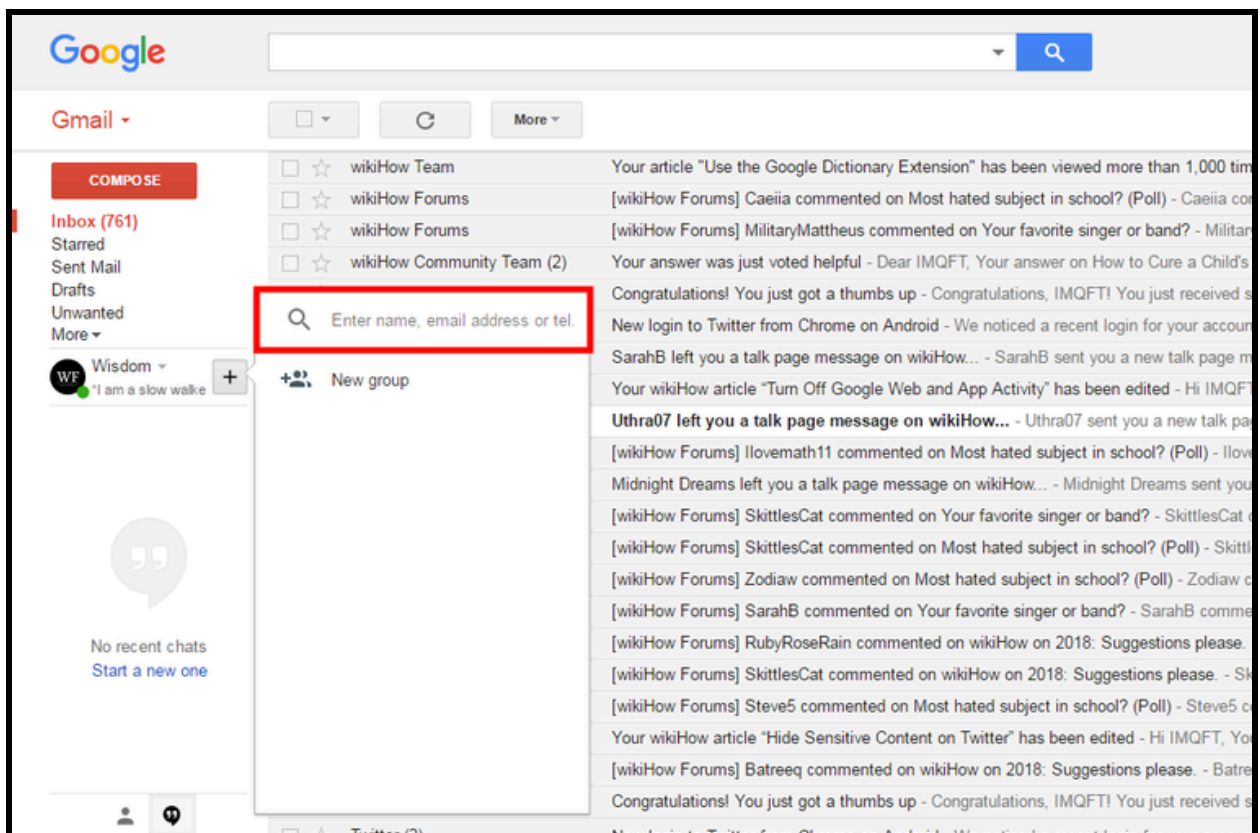

2. Click on the “Hangouts” icon on the left bottom of the page.

3. Click on the + button next to your name to begin a new conversation.

4. Type the name of the person with whom you would like to chat. Google Hangouts is fed by the DCSS directory.

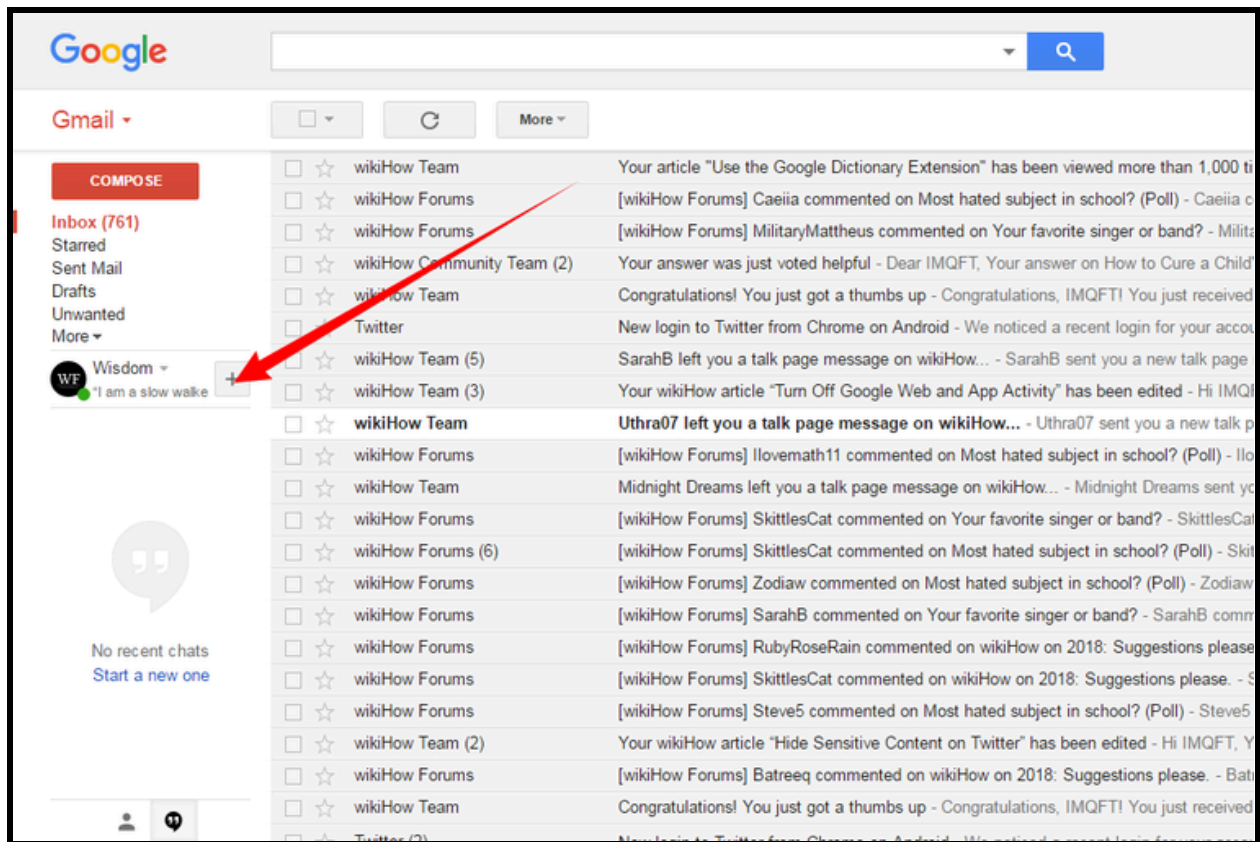

5. Start chatting. You can see the Google Hangouts chat box at the lower right corner of the page. Just type messages and upload images like Hangouts app or website. Click on the X icon at the top to close the chatbox.

The screenshot shows a wikiHow page with a list of articles on the left and a Google Hangouts chat box on the right. The chat box is titled "Active 3 h ago" and has a red border. It contains a message from "Uthra07" that says "Uthra07 left you a talk page message on wikiHow...". The chat box also has a "Send a message" input field and a "See My Article" button. The background shows a list of wikiHow articles, including "Most hated subject in school? (Poll)" and "Your favorite singer or band?".
