

Pewamo Westphalia Youth Athletic Legacy Program

My name is Troy Forton and I am the MS/HS Assistant Principal and Athletic Director here at Pewamo Westphalia. It is extremely important to me to support the existing youth athletic programs that are currently in place as well as build other youth athletic programs here. Having strong youth programs help solidify our varsity programs. Getting kids connected is also imperative to giving our students the best school experience possible.

Please fill this form out **ASAP** if you have a student that is currently in K, 1st, 2nd, 3rd, 4th, 5th and/or 6th grade at Pewamo Westphalia Public, St. Mary Catholic, and/or St. Joseph Catholic, for the 2024-25 school year.

****Please mark your child's grade for this upcoming fall on the survey.****

If you have more than one student interested in sports for this age group, please fill out the form ([link below](#)) for each student.
