

MicroSmackDown: Principles for Pub-Pri Partnership #EdCampLA #errppp

- **Ongoing partnership (continuous)**
- **Balanced (reciprocal benefit)**
- **Don't lose sight of the real core (students and staff)**
- **Authentic not artificial**
- **Don't be stringent on design; allow dynamism**
- **Student-centered**
- **Intentionally examine assumption pub/pri learning communities have about each other**
- **Project influences community (inside and outside gates, local/global)**
- **Constantly evolving (agility, nimbleness)**
- **Start small, allow to grow**
- **Share your successes (replicable model)**
- **Reflect on failures, risks, near-misses**
- **Explore connections of parents/guardians in community engagement/consequence -- recognize opportunities for learning/identity**
