

Module designation	The Proposal Assessment is part of the dissertation and includes a series of proposal preparation processes to the proposal exam. Research proposal preparation activities include consultation with supervisors, promoter meetings, and proposal examinations. Promoter meetings can be held a maximum of 2 times before the proposal exam students. The proposal examination team consists of the chairman of the session (dean/deputy dean/head of study program), the promoter team, the examiner team (2 people from internal faculties and 1 person from outside the faculty at UGM)					
Semester(s) in which the module is taught	Odd/Even					
Person responsible for the module	Promoter Team Testing Team					
Language	Indonesian					
Relation to curriculum	Mandatory					
Teaching methods	SCL: Team-based Project					
Workload (incl. contact hours, self-study hours)	CLO1	Intensive consultation with the promoter team			2 semester	
	CLO2	Intensive consultation with the promoter team				
	CLO3	Proposal Exam			2 jam	
Credit points	Assessment Techniques	Assessment Percentage	Criteria/ Indicators	CLO		
				1	2	3
	Participatory Activities		Presentation contributions Presentation rubric			
	Project Results / Case Study Results / PBL Results		Problem analysis PBL assessment rubric			
Required and recommended prerequisites for joining the module	Pass compulsory and elective courses					

Module objectives/intended learning outcomes	ELO1	Able to master the concepts and theories of geography, and develop approaches and methods of analysis to solve problems of human and environmental interaction in spatial, ecological and complex regional perspectives
	ELO3	Able to identify and use problem-solving methods from a geographical perspective, and communicate them orally and in writing in scientific forums at national and international levels
	CLO1	Students have a complete and systematic research proposal (ELO 1)
		Students have developed operational research methods (ELO 3)
		Students have a target schedule for conducting research and publication (ELO 3)
	CLO2	Students have supporting resources to carry out research (ELO 3)
	CLO3	Students get feedback from examiners regarding the topic, content, and technicalities of the research proposal submitted (ELO 3)
Content	CLO1	Literature review
	CLO2	
	CLO3	Proposal
Examination forms	Presentation	
Study and Examination Requirements
