USERNAME PROTOCOL

Example Student Name:

John

Smith

Example Graduation Year: 2025

Example User Name:

25josmi01@mdusd.net

*** If you have **more than one last name**, only the FIRST of your multiple last names is used in your username.*

*** If your username does not work with your default password, you will need to increase the number at the end of your username by one. (Example: 17_jsmith02@mdusd.net, etc.) Continue trying usernames and passwords until a match is found.*

PASSWORD PROTOCOL

Initials + Student ID Number

Example:

js1234123
