## Neshobe Chicken Care Schedule

Thank you for helping to care for Neshobe's chickens on weekends and "non-school" days. Daily responsibilities include stopping by the school in the morning to give them fresh water and food as well as do a general check of the coop, chickens, and area. Report any concerns to Heather Best, <a href="https://document.com/hbest@rnesu.org">hbest@rnesu.org</a>.

## September
