New Business:

Welcome comments and introductions were made.

- A. Speelman explained that the current EISD Wellness Plan was approved by the SHAC on September 2027. Changes were made due to staff leaving the district. Speelman mentioned that the Wellness Plan should be reviewed yearly and analyzed every 3 years to see if district goals and objectives have been met. The date set for analysis will be September 2028. The committee read and reviewed the plan.

One addition was suggested by Sam Perry for the Nutrition Promotion Goal 1 and 2 section, to add Educational posters on the available Resources Required section.

- B. Speelman asked for new SHAC meeting topics to be discussed for the 2026-2027 school year. Ideas on health, nutrition, safety, physical education, community promotion, etc. Staff encouraged to send ideas to Speelman.
- C. Speelman called for SHAC Secretary suggestions. James Storment nominated Pamela Maynard for the position. Perry seconded the motion. Unanimous votes in favor of Pamela Maynard becoming our new SHAC Secretary for a 3-year term.
