

Dear [NAME],

I am extremely excited to announce that **I will have the opportunity to visit South Korea to see my family for the first time in more than 13 years!** I am very excited and nervous at the same time, but I am ready to reunite with my family. However, I am currently facing financial difficulties to pay for my trip to South Korea. Therefore, **I am humbly asking for your support towards my personal fundraising goal.**

As a [DACA \(Deferred Action for Childhood Arrivals\)](#) recipient, I have applied for the [Advance Parole](#) to visit my grandmother who is seriously ill and undergoing treatment in South Korea.

I have not seen my grandmother in over 13 years. Please help me reunite with my family and spend time with them on this very short trip.

My goal is to raise a **total of \$4,160**. Here is the specific breakdown:

- Round Trip Flight Tickets: **\$1,500**
- Advance Parole fee: **\$360**
- Renewing passport fee: **\$100**
- Lodging, food, and other necessary expenses: **\$2,000**
- Personal Website (blogs, updates, newsletter, campaigns): **\$200**

Can you make a **\$20, \$50, \$100, or \$250** contribution to support my trip to see my family in South Korea? However, **no amount is too small or too big to give, and any contribution from you would be forever grateful.**

If you have any questions, please feel free to contact me at any time. Thank You.

Sincerely,

Ju
