

Face-to-face Safeguarding Training

For those unable to access online training we are happy to provide face-to-face training. Dates will be updated as they are available, so please check back if you do not see what you are looking for. Please note that much of the training opportunities are offered in conjunction with local training with a church, so there may be limited space available and it can take time to confirm dates. There will be some opportunities at St Martin's House.

- Book a place by clicking on the link in the relevant course table. You can complete your responses on a smart phone, tablet, laptop or computer or get someone else to complete it on your behalf. The Safeguarding Bookings email will be notified of your information and you will receive a confirmation within 5 working days.
- If you have not received a response within 5 working days, please check your junk email and email SGB bookings@LeicesterCofE.org.

If you have any concerns about the training, including because of your life experiences, then please contact Louise Warner Louise.Warner@LeicesterCofE.org or 07729628319 to work out the best way to proceed.

You can complete the courses in whatever order works for you.
