

**ROLLING START TO THE SCHOOL DAY**  
**8:20 AM-8:30 AM**

Each morning students enter the building from the main entrance between 8:20-8:30 AM and report directly to their classroom. Teachers supervise students in the classroom as they begin their morning routine. We believe that this entry allows for a more natural transition to the start of the school day.

During *Meet Your Teacher* parents have an opportunity to show their child how to walk to his/her new classroom. On the first day of school students in grades 1-5 meet their teacher in their classroom line outside of school for our opening flag ceremony. Classroom teachers will practice how students will walk to their classroom during the first day of school.

On the second day of school students enter the building on their own between 8:20-8:30 AM. Staff members will escort students that need additional assistance.

Supervision, including cross walk supervision, is not provided prior to 8:20 AM. **It is essential that students do not arrive prior to 8:20 AM.**

**Parent Reminders:**

- \* Please wait until 8:20 AM to drop off your child
- \* Please say good-bye to your child(ren) outside of the building
