RightNow Media Resource

We're excited to share that our school now has access to an extensive video library called [RightNow Media](#). It's the "Netflix of Video Bible Studies" and has a HUGE library of faith-based videos that you can access whenever and wherever you want—on your phone, iPad, computer, or at home on your TV.

At The First Academy, we're always looking for ways to develop and strengthen our students and their families. We believe that RightNow Media will be a tool to serve you as you live out your faith at home, at work, and in your neighborhood. RightNow Media has videos for everyone—students, parents, married couples, college students, single adults, working professionals—all aimed at helping you become a more mature follower of Jesus.

The best part is that every TFA family can access this service for FREE!

Please follow this [link](#) and register for your FREE access to RightNow Media. Or, email us at rightnowmedia@thefirstacademy.org if you have any questions.

We hope that RightNow Media is a blessing to you and your family. Thank you for partnering with us!
