

Project: Une journée d'école

Overview:

You are going to create a book in Google Slides in which you describe activities that you do during a regular school day and illustrate them with pictures.

Requirements:

- The final product will have a total of **6 pages**: **one title page** and **5 pages for images** (2 images per page).
- The final product will have **10 different images**. You can choose to use all Internet images or a combination of internet images and your own photos.
- Each image must include a **description** in which you talk about **what** you are doing and **where** you are doing it (see examples below).

Steps:

1. Start a new presentation of 6 slides, then:

For the **title page**:

- Write "Une journée d'école"
- Include your name

For the **next 5 pages**:

- Insert 10 pictures (2 images per slide)
- Caption each of the 10 pictures with your sentences

Insert a **recording** of your voice saying what the activity is and where you do it, for each picture.

You will have to record in another app and use "insert audio".

Include one arrow, speech bubble, emoji or other graphic for each page..

2. Save the book as a PDF and then turn it in.

Examples: **what you do** **where you do it**

Je lis à la bibliothèque

Je fais la cuisine chez moi
