

Third, Fourth and Fifth Graders
Be a Faith Academy Star Reader
Required Summer Reading 2019

You have worked so hard to grow as a reader this year! In order to maintain that growth and continue to grow, you need to keep reading during the June and July break. All Faith Academy students are required to complete a summer reading program. The details for students entering grades 3-5 are as follows:

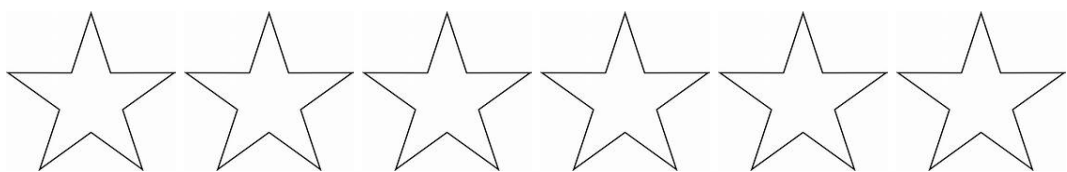

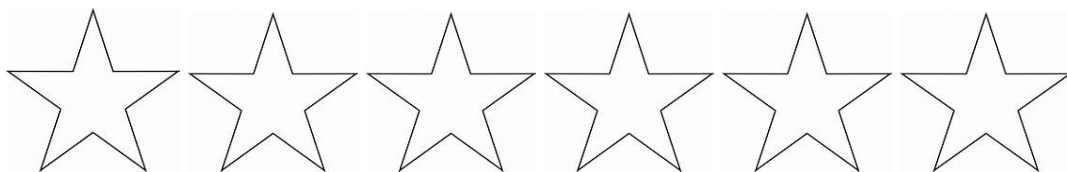

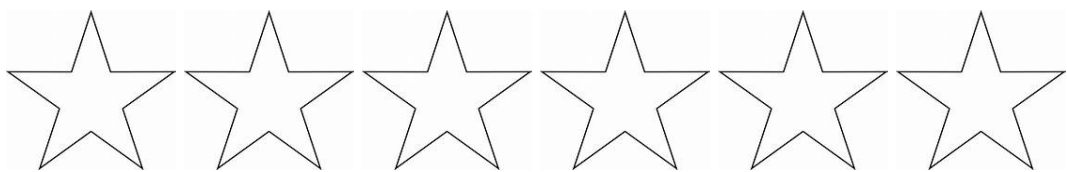

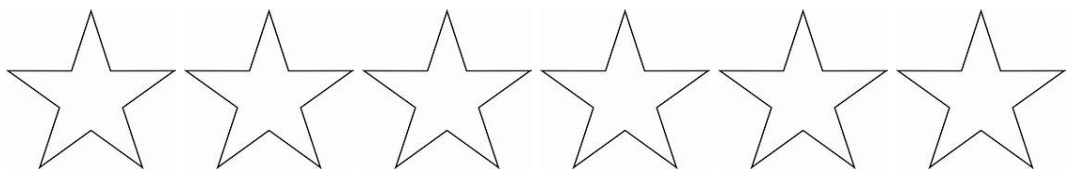

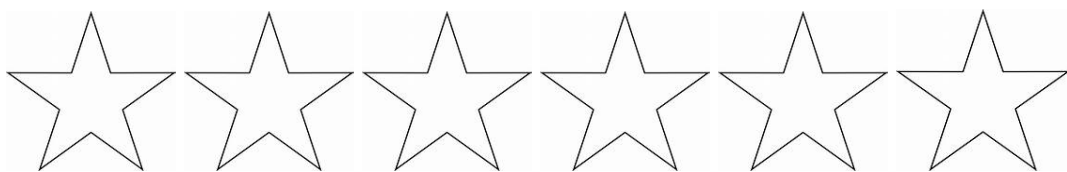

- During June and July, read on at least 30 different days for at least 30 minutes a day. The 30 minutes may be broken into several smaller periods of time but done on a single day.
- Each day you read, fill in a star by putting the date on it. You may choose to color it as well.

- Think about your reading goal as you read. Use your goal to improve your reading.
- Return your star sheet to your teacher at the start of the new year.
- Get your name on a star on the Faith Academy Reading Star Walk where it will be displayed all year!
- Earn an SLR for being a Self-Directed Learner!

My Reading Goal:

Name: _____

You are a Reading Star!
