The 22nd International Postgraduate Research Colloquium

Template_ Abstract IPRC 2025

Research Title

Author Name Surname [1 *], Author Name Surname [2,] Author Name Surname [3]

[1]Author Affiliation (e.g., PhD student in Applied Psychology, Behavioral Science Research Institute, Srinakharinwirot University, Bangkok, Thailand)
[2]Author Affiliation
[3]Author Affiliation

[*]Corresponding author email: abc@xx.yy.zz

ABSTRACT

The abstract length should be a minimum of 150 words and a maximum of 250 words; it should be confined within a single paragraph. The first line of the abstract should not be indented from the left margin. The abstract should be double-spaced and typed in Times New Roman 12pt.

Keywords: keyword1, keyword2, keyword3, keyword4, keyword5 (list 3-5 keywords)

IPRC-2025: Abstract Guidelines

- **All participants are requested to follow the given guidelines to develop the content and format of their abstracts.**

I. The content for the submission of the abstract should have 4 main components:

1. **Title:** consist of 12-15 words. Written in Font: Bold Times New Roman 14-point.

2. **Author name, affiliation, and email**
   2.1. First Author's Name Surname[1*], Second Author's Name Surname[2], …
   2.2. Author affiliation
   Note: Students may mention the names of their supervisor/ advisor
   2.3. *Corresponding author email

3. **Abstract Content- please follow the guidelines according to whether your research is based on completed research or it is a proposal.**
   3.1. Abstract Content for Completed Research/ Research Assignment
   The abstract should include the following (usually 1–2 sentences per topic):
   - introduction (problem statement and contribution)
   - research objective(s) or hypotheses
   - methods used (including brief descriptions of the study design, sample, data collection, and analysis)
   - main study results
   - implications (i.e., why this study is important, applications of the results or findings)

   3.2. Abstract Content for Research Proposal
   The abstract for the proposal should include the following (usually 1–2 sentences per topic):
   - introduction (problem statement and contribution)
   - research objective(s) or hypotheses
   - proposed methods (including brief descriptions of the study design, sample, data collection, and analysis)
   - proposed implications (i.e., why this study is important, and how you plan to apply of the results or findings).

4. **Keywords: Need to specify 3 to 5 keywords of the research**
   The keywords address essential research elements, such as: the research variables, the sample or context, the methods used

II. Abstract Format

- The abstract should be written in academic English.
- Submit abstract in word document.
  - Save the File with your Last Name-IPRC2025 (e.g. Smith-IPRC2025)
- Lines should be double-spaced.
- Font used should be Times New Roman, size 14- point for the title and size 12-point for the rest of the abstract content.
- The keywords should be lowercase (but capitalize proper nouns) and typed in *italic* 12-point Times New Roman. Each keyword should be separated by a comma and a space.
