Student Community Choice Board:

Students at Fairmont Jr./Sr. High School, have the opportunity to contact local organizations to volunteer or job shadow during the Cardinal Community Days. A link was shared with students on the FJSHS Student Communication site with information to contact information to set up these opportunities. We are thankful for the organizations who have shown interest and look forward to building additional partnerships in the future.

Report Cards:

Report cards are out and ready to view on Skyward. Please contact the main office if you have any trouble viewing or understanding the report cards.

Student items left out:

We would like to inform you that if students leave personal items (such as coats, backpacks, bags) out in the halls, locker area, or bathrooms, these items will be seen as suspicious and will be checked. After checking the items for safety reasons, these items will be placed in the lost and found located by the 10-12th grade locker area.

Dates and events to keep in mind in the future:

February 24th - Cardinal Community Day

March 16th - Evening conferences

March 17th - Full day conferences - No school

Activities for the week:

Each week we will include a link to the Big South Conference Calendar so you can attend the variety of activities our students participate in and encourage them as they compete/perform.
