

Shawnee Mission South National Honor Society

NHS Information and Contract Form (Spring 2026)

Member Name:

Grade Level:

School Email:

Cell Number:

Congratulations and welcome to NHS. Please initial that you have read and agree to the following statements:

_____ I am aware that I must maintain a cumulative 3.6 GPA to remain a member of NHS.

_____ I am aware that I may miss no more than one NHS meeting this year in order to maintain my membership. If you are absent all day due to illness/emergency, you are responsible to notify the sponsor upon your return to school. If you anticipate or encounter a conflict, you are responsible to work with the sponsor/coach and alert NHS sponsor so that an absence will be excused.

_____ I am aware that the deadline to turn in **15 second semester hours for seniors is no later than Tuesday, April 13th and for juniors is no later than Monday, May 10th**. Seniors may earn up to 15 summer service hours. These hours can be banked for either fall or spring, **not** both. Seniors must have 15 hours by the end of each semester, and seniors must have 30 hours overall by **April 13th**.

_____ I am aware that **extra first semester hours do not carry over to second semester hours**. You may apply summer service hours to either fall or spring semester, **not** both; however, any hours over 15 hours completed in one semester do not carry over from semester to semester or year to year. The clock for second semester hours starts winter break.

_____ I am aware that **group projects** will be available for service hours. I am aware that there will be a first and second semester project in which to participate. Projects will be chosen by NHS officers with feedback from members. Projects will be designed to require a team commitment to completing a project.

_____ I am aware that it is my responsibility to know about **scheduled meetings and deadlines**. I will monitor my SMSD email, the NHS Canvas page, NHS link on Bayonet English, and NHS social media accounts. Announcements will be made in Canvas, through the NHS social media accounts, and on the school announcements.

_____ I am aware that character and leadership are two of the central tenets of the National Honor Society. If I exhibit behavior that violates these tenets (including but not limited to academic dishonesty, behavior referrals, alcohol/drug/cigarette/ecigarette use), my participation in the NHS will be reviewed and a determination will be made regarding the status of my membership. Due to my behavior which violates the codes of NHS, I may be dismissed, and I may not earn an honor cord.
