

## SnapRate – Support & Help

Thank you for using SnapRate — your go-to app for converting product prices to your local currency with ease.

We're here to help with any questions, feedback, or technical issues you may encounter.

### Frequently Asked Questions

#### **Q: What is SnapRate?**

A: SnapRate lets you instantly convert prices into your local currency while shopping online, traveling, or reviewing receipts. It helps you understand the real cost in your own currency, anytime, anywhere.

#### **Q: Is SnapRate free?**

A: Yes! SnapRate is free to download and use. We may offer optional premium features in the future.

#### **Q: I found a bug or have a suggestion. What should I do?**

A: Please email us — we value your feedback and aim to fix issues quickly.

### Contact Us

If your question isn't answered above, feel free to reach out directly:

Support Email: [SnapRateApp@gmail.com](mailto:SnapRateApp@gmail.com)

We typically respond within 24–48 hours.

### Thank You

We appreciate your support and hope SnapRate makes your shopping experience smoother and smarter.
