Infographic Collection

As part of the Lake Francis Village Condominium Association (LFVCA) Board of Directors' (BOD) commitment to transparency, financial infographics are shared to help every member better understand the association's financial reality, the challenges we face together, and the information the board is using to make informed decisions for our community

Our goal is to ensure that every homeowner has access to the same information the board uses to understand the association's financial condition and the decisions required to protect our community.

- Special Assessment Loan Spending History - through June 2026
- LFVCA Financial Snapshot - May 2026
- LFVCA Financial Snapshot Infographic - March 2026
