

A Text Book of

Bio Sensors and Bio Electronics

Dr. S.V.G.V.A.Prasad | Dr. Mukesh Upadhyay
Dr. A. Usharani | Dr. Pradeep Devendra Gaikwad

Dr. S.V.G.V.A. Prasad, Professor of Physics at Pithapur Rajah's Government College (Autonomous), Kakinada has 26 years of vast teaching experience in various prestigious institutions. Published papers in National and International journals participated in conferences and have 5 patents. Acted as Question paper setter, Observer, subject expert and university nominee for B.S., Reviewer for Research Journals, Editorial Board member for Research Journals and Evaluator for Children's Science Projects in District and State level.

Dr. Mukesh Upadhyay has an experience of more than 22 years in teaching and research. Currently, He is working as Associate Professor at Department of Physics, North Eastern Regional Institute of Science and Technology (NERIST), Deemed to be University, Under the Ministry of Education, Government of India, Nirjuli, Arunachal Pradesh - 791109. He has got his Ph.D. Physics from Dr. Ram Manohar Lohia Avadh University, Ayodhya, Uttar Pradesh. He published more than 25 research papers in various reputed National/International Journals. Dr. Upadhyay is associated with Dr Ram Manohar Lohia Avadh University, Ayodhya. Dr. Upadhyay has consistently been an active member of Board of Studies, Departmental Post Graduate Committee of NERIST, Nirjuli. Dr. Upadhyay has supervised the thesis/dissertation of more than 15 students of M.Sc. & Ph.D level.

Dr. A. Usharani working as an Assistant Professor in Physics, Avvaiyar Govt. College for Women, Karaikal. She has 25 years of teaching experience. She is good academician, dynamic and actively participating in the upliftment of student community. She has published more than 5 papers in Elsevier and other reputed journals. She has attended more than 10 workshop and Faculty development programmes in various universities. She organised various programmes for science day, workshops and conferences. She is the co-ordinator in Women protection cell and also acted as Nodal officer cum Chief Superintendent for the University examination. Her field of interest Molecular spectroscopy, Renewable energy, Atomic physics, etc.

Dr. Pradeep Devendra Gaikwad, presently working as a Head and Associate Professor, Department of Physics in Marathwada Shikshan Prasarak Mandal's R. B. Attal Arts, Science and Commerce College, Georai Dist. Beed Maharashtra, India. He completed postgraduation and Doctor of philosophy (PhD) from Department of Physics, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad Maharashtra. He has more than 14 years' experience of teaching and research in solid state Physics. He also got Rajiv Gandhi Fellowship for Doctoral research. He has many his academic carrier like, Outstanding Scientific Award, Indo Asian Paul Dirac Distinguish Scientific Award, Award for Excellence in Research, Best Researcher Award, Global teaching Excellence Award, Indira Gandhi Gold medal Award and Dr. Radhakrishnan Gold medal Award. He presented Paper in National /International Conference at Netherland, Malesia and got best paper presentation Award in Thailand. He has published above 120 research papers in reputed journals, 09 patents, 12 article as a Chapter in Book. Published 03 Book in Reputed publishing and completed 02 research Minor projects. He is also a Research Guide have 04 Student Under his Guideness and member of Editorial Board. His Research: Interest Electrochemical Method Chemical, Biosensors and Optical fiber sensors, Remote Sensing.
