

Effective 1.4.2021

Dear 2nd Grade Online Families,

You have decided to enroll your 2nd grade student in the Southeast Polk Remote Learning Pathway until the end of the second trimester. Please carefully read the following information as it pertains to online learning for your child.

The second grade teaching team consists of three teachers:

- Mrs. Susan Moeller teaches math and leads class meetings for Delaware and Four Mile- susan.moeller@southeastpolk.org
- Mrs. Sandy Piatt teaches social studies, science, and leads class meetings for Clay, Runnells, Altoona- sandra.piatt@southeastpolk.org
- Mrs. Tammy Steenhoek teaches reading and writing and leads class meetings for Willowbrook, Centennial, and Mitchellville- tamera.steenhoek@southeastpolk.org

The second grade teaching team uses Google Classroom to share information with students. Assignments and tasks will be posted on a daily basis. Please remember that these tasks are required in the remote learning pathway and must be completed in order for your student to be considered present for each day of school. Unless stated otherwise, students must complete them within 48 hours. Scores and feedback for assignments are also found in Google Classroom. If your family is new to online learning with us, please go to classroom.google.com on your child's chromebook and accept the invitation to join "SEP Online School". If your student has not received an invite, please contact the teaching team.

Each week, we will post a learning log/newsletter for parents/guardians. This will be posted in the Google Classroom, as well as on the [Southeast Polk Remote Learning website](#) at 7am on Monday each week. This is meant to help you guide the learning at home for your child. It will include the daily and weekly learning goals for your student as well as daily assignments they will be asked to complete. It is advised that you print this out each week as a "check-off" tool at home.

Students are grouped according to their home elementary building for live instruction. Live instruction occurs on Monday, Tuesday, Thursday and Friday. Please have your child attend Zoom sessions according to their school session.

Wednesdays are different for all remote learners. Students will not log into any Zoom class time on Wednesdays. We will provide 'On Demand' tasks for students each Wednesday. Wednesday tasks will be posted in Google Classroom at 7am on Wednesday each week. Some activities will be required while others will be optional. Please make sure that your child reads through the Google Slides carefully.

Welcome to our Remote RAMS 2nd grade classes. We are so glad that you are joining us!
