POINTS MEAN PRIZES

Courtesy of Electric Spirit Co. we will have some prizes to give away to overall and individual race winners. Due to Brexit, overseas shipping of alcohol is very difficult therefore the prizes below relate only to the Invitational series, we will confirm back shortly what we are able to do for those competing in the Constitutional. Prizes will only be given to over 18s with UK shipping only, you may be asked to verify your age before we send your prize.

Winners will be announced on the Facebook page shortly after the race, please get in touch with us via Facebook to get your prize.

Overall

Top points scorer overall: Voucher for free bottle of Electric Spirit Gin.

Top overall Electric Spirit Co. team rider: Voucher for free bottle of Electric Spirit Gin.

Top points scorer per category (A-D, women & men, excluding overall winner): 50% off voucher for a bottle of Electric Spirit gin.

Top Team

Top 4 riders per team/per category will score points every week in the team overall. This is mainly for fun to get some inter team rivalry going but I may pop up with some small

prizes at season end if I can sort something. Team results will work off Zwiftpower clubs so be sure and join your club there, if you haven't there's nothing I can do to override.

RULES

We are trying to keep things as simple as possible. You should enter your usual mixed category. All pens will start together, first past the post wins and all power ups will be enabled. Final results will be posted in Zwiftpower.

All riders must be in correct category, Zpower riders are welcome to join but will not count in the official results.

All riders must have a HRM to count in official results.

If you enter in the right category, with accurate equipment and race fairly then you will have a great time, if you want more details on exact rules and requirements then please refer to the race details on Zwiftpower, or just ask. (ZP details are not yet populated, expect these in c.1 week)

Constitutional: <https://zwiftpower.com/league.php?id=890>

We reserve the right to disqualify anyone for anything we think is suspicious performance, anyone entering in the wrong category who doesn't move after being asked may also find themselves named and shamed on the Facebook page, and they or their whole team not invited to the following weeks races.

Please note we are a small team with limited time so don't have the time for long and complicated arguments or appeals on results, the Zwiftpower results are final.
