## From the 2024-25 Wheeler Family Handbook

### **Birthdays**

Birthdays are best celebrated at home. You may, however, wish to send a special item for all students in your child's class.

- Items such as pencils or stickers are preferred over food items.
- If you wish to send snacks, contact the teacher in advance to address potential food allergies.
- Home-baked foods are prohibited. All food items must be **store-bought** with a visible list of ingredients AND **individually packaged**. (Think Little Debbie's, NOT a container of cupcakes or a box of donuts).
- Party invitations may not be distributed at school unless all students in the classroom are receiving an invitation.
- **Absolutely no balloons or flowers are to be brought or delivered to the school.**
