About Us – *iClivia & Analytics Career Connect (ACC)*

We are a group of mission-driven startups focused on solving **India's education and employment challenges**. Through our platforms, we provide **job-ready training**, **real industry exposure**, and **placement support** for youth from **Tier 2, 3, and 4 cities**.

- **Analytics Career Connect (ACC):** An outcome-focused EdTech platform offering career acceleration programs.
- **iClivia:** A specialized recruitment agency placing verified, skilled candidates into real job roles.
- **ACC Tech Services:** A growing IT & digital services company offering solutions across development, analytics, and digital marketing.

We're building a future where **skills > degrees** and where **young talent gets real opportunity**—and we want you to be a part of that journey.

About the Role – WordPress Developer Intern

We're looking for **passionate and creative individuals** who are eager to learn and contribute to **real-time web development projects** using **WordPress**. As a WordPress Developer Intern, you will work alongside our **product, tech, and design teams** to build functional, SEO-optimized, and visually engaging websites that power our EdTech and recruitment platforms.

You'll be involved in end-to-end development — from setting up themes and plugins to optimizing UX/UI and fixing bugs.

Key Responsibilities

- Design and develop responsive websites using **WordPress**, **Elementor**, and other page builders

- Customize themes, templates, and plugins based on project needs
 - Optimize websites for performance, SEO, and mobile responsiveness
 - Collaborate with content, design, and marketing teams for website updates
 - Troubleshoot technical issues and maintain site functionality
 - Work on internal as well as client-facing web development tasks
-

Internship Details

- **Duration:** 3 to 6 Months (Choose based on your availability)
 - **Mode:** Remote
 - **Timings:**
 - **Full-Time:** 10:00 AM – 6:00 PM
 - **Part-Time:** 4 hours/day (choose your preferred time slot)
 - **Stipend:** Initially unpaid
 -  **Performance-Based Stipend** available for top-performing interns
 - **Perks & Benefits:**
 - ✓ Internship Certificate & Experience Letter
 - ✓ Letter of Recommendation (LOR)
 - ✓ Real-World Projects for Your Portfolio
 - ✓ Mentorship by Senior Developers
 - ✓ Priority Consideration for Job Roles & Client Projects
-

Who Can Apply

- Students/freshers looking to start a career in **web development or WordPress**
- Individuals with a **basic understanding of HTML, CSS, WordPress, Elementor**

- Freelancers who want to upskill and build a solid portfolio
 - Self-driven candidates looking to work in a **startup-style environment** with real ownership
-
